Company overview:

"Think Europe 2049 - act now! IncredibleEurope gathers some of the most influential creative and innovative changemakers of today and tomorrow. The IncredibleEurope Association is a non-profit organization to support, nurture and brand Europe's innovative and creative side as a key investment for the future of Europe on a global level. At the yearly interdisciplinary IncredibleEurope Summit in Vienna members and participants jointly work on the elaboration of Europe's shared, sustainable future and specific actions for the following year (the IncredibleEurope Charter). The IncredibleEurope Summit is a MUST for changemakers, innovators and creatives! The first INCREDIBLE SUMMIT took place in Vienna on June 29, 2009. In short: over 250 participants from 23 countries supported by media from China, New Zealand, India and some 30 European countries. IncredibleEurope connects changemakers and future oriented creative entrepreneurs, innovators, business people, artists, scientists, investors, educators and researchers, all those working on creative and innovative solutions in their fields, as well as those simply interested in creativity, innovation and entrepreneurship. The goal is to bring together changemakers from all fields of work to learn and profit from the variety of approaches: Envision Europe 2049 - Inspire positive change - Act upon the yearly IncredibleEurope Charter
