### The 3rd IncredibleEurope Summit 2011

Written by Elizabeth Parra Gontzoume on April 18, 2011 in Entrepreneurship, Europe • No comments

The 3rd annual IncredibleEurope Summit 2011 is taking place June 9-10 in Vienna, Austria. The IE Summit gathers some of the most influential innovative, creative and entrepreneurial future-makers, willing to make a difference today for the Europe of tomorrow. 250+ speakers (meaning all participants) playing an active role on both days will interact with the invited keynotes (Jean Oehwang, CEO of Virgin Unite, Sacha Lakic, designer of the Venturi Felsit, Josef Penninger, who identified the key regulator of progesterin-driven breast cancer, and many more), encounter start-ups meeting money, lay emphasis on experience and business exchange, and enjoy the time for networking at the European "Mutankstelle".
